

Priority

Applicant's claim for the benefit of a prior-filed application under 35 U.S.C. 119(e) or under 35 U.S.C. 120, 121, or 365(c) is acknowledged. Applicant has not complied with one or more conditions for receiving the benefit of an earlier filing date under 35 U.S.C. 120 as follows:

Receipt is acknowledged of papers filed under 35 U.S.C. 119 (a)-(d) based on an application filed in the European Patent Office on 23 July 2003. Applicant has not complied with the requirements of 37 CFR 1.63(c), since the oath, declaration or application data sheet does not provide the proper filing date of the foreign application. A new oath, declaration or application data sheet is required in the body of which the present application should be identified by application number and filing date.

The filing date of foreign priority application number EP 03016753 is listed as 7/23/2003 on the BIB, Oath and Certified copy, but the latest ADS filed by applicant has the filing date of the foreign document as 6/23/2003.

As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to correct the ADS.
